Goldman Sachs | www.GoldmanSachs.com

- Ben Ferris (Quantitative Economics, 2015)
- Securities Division Intern
- Full-time, 65 hours per week
- Paid

**What do you do as an intern at this organization?**
I completed weekly stock pitches and derivatives-based projects for hypothetical clients, answered the phones, and asked a lot of questions.

**How did you find your internship?**
Jumbo Jobs and alumni

**What do you enjoy most about your internship?**
I learned something new every hour of every day.

**What do you find challenging?**
I found it challenging to add value, and it is hard to filter the abundance of information thrown at you.

**What advice would you offer to someone who wants to make the most of an internship like yours?**
Ask as many good, thoughtful questions as you can and show improvement in all aspects of what you do. Show that you are passionate about the work.

**About the Organization**
Goldman Sachs
Boston, MA

The Goldman Sachs Group, Inc. is an American multinational investment banking firm that engages in global investment banking, securities, investment management, and other financial services primarily with institutional clients.
