**What do you do as an intern at this organization?**
I create schedules for the international visitors and go on activities and meetings with the visitors. I also help prepare the organization for its 50th anniversary that is coming up next year.

**How did you find your internship?**
Friend referral

**What do you enjoy most about your internship?**
Meeting so many international visitors with such rich backgrounds

**What do you find challenging?**
The commute. I live far away and the bus system is not the best in Santa Fe so it takes me two hours daily to commute.

**What advice would you offer to someone who wants to make the most of an internship like yours?**
Go out and try to meet everyone! Networking is wonderful and you meet some amazing people who are very eager to share their backgrounds with you.
